RE: Access to Information Request

On behalf of the B.C. Civil Liberties Association (BCCLA), I am formally requesting access to information pursuant to the *Freedom of Information and Protection of Privacy Act*. We request:

Statistical records pertaining to workplace injuries of people in BC due to the usage of tasers wherein the person operating the taser has been injured.

The BCCLA is a non-profit organization with limited resources and the information requested is directly related to a matter of public interest; Accordingly, we are requesting that any fee be waived, pursuant to sec. 75 (b) of the *Freedom of Information and Protection of Privacy Act*.

Yours Truly,
